

First Aid Dressing (FAD) No. 3 – Sterile Wound Dressing Pad for Emergency Care & Compliance

Specification Sheet

Product Description:

The **First Aid Dressing (FAD) No. 3** is a **sterile wound dressing pad** designed for use in emergency first aid situations. Suitable for **moderate to large wounds**, this dressing provides a sterile barrier that helps control bleeding and protect injuries from infection. Lightweight and compact, the FAD No. 3 is a key component in **workplace Regulation 3 compliant first aid kits**, as well as home, travel, and sports kits. Individually wrapped for hygiene, it ensures safety and readiness whenever quick wound care is needed.
