

Non-Sterile Cotton Gauze Swabs 100x100mm (8-Ply) – Pack of 100 | Medical Dressing Pads

Specification Sheet

Product Description:

These **100mm x 100mm non-sterile gauze swabs** are high-quality **8-ply medical dressing pads** designed for effective wound care, cleaning, and fluid absorption. Manufactured from soft, absorbent cotton gauze, they are suitable for a wide range of **medical, first aid, and workplace applications**.

The larger 100mm size provides increased coverage, making these gauze swabs ideal for cleaning and dressing larger wounds, absorbing blood or exudate, and applying antiseptic solutions. Supplied in a **bulk pack of 100**, they are a practical and cost-effective essential for **first aid kits, clinics, medical rooms, factories, offices, and schools**.

Specifications:
