

Sterile Cotton Gauze Swabs 100x100mm (8- Ply) – Pack of 5 | First Aid Wound Care Dressing

Specification Sheet

Product Description:

Our **Sterile Cotton Gauze Swabs 100x100mm (8-Ply)** provide reliable protection and absorbency for wound care and first aid. Made from 100% pure cotton, these swabs are soft yet durable, ensuring safe use on sensitive skin. Each swab is pre-sterilised and individually packed to maintain hygiene standards, making them suitable for both professional medical use and workplace first aid kits. With their larger size and 8-ply absorbency, these swabs are ideal for managing medium to large wounds.

Specifications:

Specification	Detail
