

Sterile Cotton Gauze Swabs 50x50mm (8-Ply) – Pack of 5 | First Aid Wound Care Dressing

Specification Sheet

Product Description:

Our **Sterile Cotton Gauze Swabs 50x50mm (8-Ply)** are essential for effective wound care and first aid. Made from 100% pure cotton, these swabs are soft, absorbent, and safe for use on sensitive skin. Each swab is pre-sterilised and individually packaged to ensure hygienic application, whether for cleaning, dressing, or protecting wounds. Compact in size, they are ideal for smaller cuts, abrasions, and minor injuries, making them a must-have for compliant workplace and home first aid kits.
