

Sterile Cotton Gauze Swabs 75x75mm (8-Ply) – Pack of 5 | First Aid Wound Care Dressing

Specification Sheet

Product Description:

Our **Sterile Cotton Gauze Swabs 75x75mm (8-Ply)** are designed for professional first aid and wound care. Each swab is manufactured from 100% pure cotton, ensuring softness, absorbency, and strength. Pre-sterilised for safe use, these swabs are ideal for cleaning, dressing, and protecting wounds in both emergency and everyday medical care. Compact and individually packed in a sterile pouch, they are an essential addition to any compliant first aid kit.
